PER CURIAM:

Aaron H. Brooks appeals the district court's order dismissing his civil rights action as frivolous under 28 U.S.C.A. § 1915(e) (West Supp. 2000). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Brooks v. United States Secretary of State, No. CA-00-232-MJG (D. Md. Feb. 1, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
